NORTHWEST TERRITORIES

A land filled with mystery and adventure

The Nahanni River is famous for unforgettable river adventure by canoe and raft. At the river's heart you can stand in the thunder of towering Virginia Falls. Near where the river rises there are hot springs, and further south are some of the deepest river canyons in the world. Airlines in Fort Simpson offer day-trips into Nahanni National Park and experienced outfitters can take you on the trip of a lifetime for one week, two weeks or three weeks.
