

SPECTACULAR

It's Not The Cold That Gives You Goosebumps

It's the eerie waves of coloured light that arch and swirl across the heavens. The Northern Lights are at their best in the Northwest Territories, where front row seats to Nature's Greatest Light Show are available from late August until early April.

For more information on Aurora Borealis viewing tours visit our website or call 1-800-661-0788 for a copy of the **2009 Northwest Territories Aurora Guide**.
