

SIMPLY SPECTACULAR

If you thought the Northwest Territories was bleak and desolate...think again! It is awash in spectacular color and is home to some of the greatest natural wonders in the world. The Mackenzie River Delta. Amazing Aurora Borealis. Nahanni National Park, the first World Heritage Site. Migrating caribou herds on the vast barrens. Thundering waterfalls. The haunting east arm of Great Slave Lake with its towering cliffs. For more information about Northwest Territories' vacations, request a copy of the 2009 Explorers' Guide by visiting www.spectacularnwt.com or calling 1-800-661-0788
