

TRULY SPECTACULAR

You can hear the Northern past in the chant of a Dene drum song, in the ripple of paddles along fur-trade routes, even in the roar of vintage bush planes around Yellowknife Bay. You can see it in old missions, trading posts and log cabins like the Wildcat Café, now a popular summer stop in "old town".

For more information on historical or cultural tours, visit our website or call 1-800-661-0788 for a copy of the 2009 Explorers' Guide.
