### Congratulations to the Carter Family

Jean Carter with Randy Williams, president and CEO of the Tourism Industry Association of Canada

Jean Carter and her late husband Merlyn, who founded Carter Air Services in Hay River, and Nonacho Lake Fishing Camp, were inducted into the Canadian Tourism Hall of Fame in Ottawa in June, 2009. The Carters are the first business owners in the NWT to receive this award from the Travel Industry Association of Canada. All nominees for this prestigious award have to have served a minimum of 30 years in the tourism business, and must have received a territorial or provincial award. Several years ago the Carters received the Mike Stillwell Lifetime Achievement Award from Northwest Territories Tourism.

The Carters were pioneers in developing the north as a tourist destination, and continue to welcome visitors to their fishing camp.
