

Welcome to our unrivalled light show!

Aurora watchers from around the world come to the Northwest Territories to watch this cosmic phenomenon. That's because nature's amazing Aurora display is at its most brilliant and most frequent here, regularly firing up the night sky with a surreal explosion of colour. Front row seats always available. Season starts in late August and extends to early April. For more information on aurora tours visit spectacularnwt.com or call 1-800-661-0788
