

You won't believe it until you see it.

The Aurora Borealis is one of the planet's greatest natural wonders and the Northwest Territories is the best place on earth to view them. Perfectly situated beneath the Auroral Oval and offering 250 potential viewing nights each year, our skies won't disappoint. It's no wonder that people come from around the world to see this spectacular show. **Visit us online to book your spectacular Aurora Package, available mid-August through mid-April.**
