

SORRY. SLOW BROWSER SPEEDS.

UNPLUG FROM THE COMMONPLACE. DISCOVER A DEEPER CONNECTION.

In the Northwest Territories, motorists should expect delays. Along our untamed highways, bison, bears and moose abound, bringing traffic to a halt. If your daily commute is driving you mad, get up here – where even the gridlock is wild.

Connect with Northern Skies

Cook a comet using dry ice. Watch homemade rockets streak into the sky. Participate in science activities for kids. Learn fascinating facts about the cosmos during workshops for budding and seasoned star gazers. Explore the endless wonder of the deep, dark northern skies framed by the spectacular aurora borealis. Join us for the Thebacha & Wood Buffalo Dark Sky Festival August 18 – 21, 2016 in Wood Buffalo National Park, the world's largest Dark Sky Preserve.

Experience "Hall of Fame" fishing at legendary Nonacho Lake Lodge

Nonacho Lake is the 8th largest lake in the NWT. In 2009, owners, Merlyn & Jean Carter were inducted into the Canadian Tourism Hall of Fame, the only NWT Tourism establishment to have ever received this honour.
