

VISIT DYNAMIC, URBAN EDMONTON AND THE WILD NORTHWEST TERRITORIES

Edmonton is a vibrant urban centre in the heart of the wilderness. It is the northernmost metropolis in Canada, and your gateway to the great North. Nestled in the valley of the North Saskatchewan River, just hours from the Rocky Mountains, Edmonton is a professional sports hub, a shopping mecca (home to the renowned West Edmonton Mall), the basecamp for Jasper and Elk Island National Parks, and “Canada’s Festival City,” with a year-round calendar of compelling events.

The **Northwest Territories** is the accessible, astounding Arctic, just a quick flight or day’s drive from Edmonton. This is the Aurora-viewing capital of the world, where the skies dance 200 nights per year. It’s also a fishing paradise, with Canada’s biggest, deepest lakes and world-record sport fish. With five national parks, waterfalls that dwarf Niagara, the fabled Northwest Passage, the forbidding Barrenlands, and more, the Northwest Territories is the wilderness adventure of a lifetime.

***Together** — Edmonton and the Northwest Territories, merge to offer visitors the ultimate northern adventure. Experience nordicity!*

NORDICITY (noun) is a concept developed in Canada that refers to the inexpressible magic of high-latitude regions.
