

OUR CAMPGROUNDS HAVE RUNNING WATER

Wake up. Take a hot shower. Grab a coffee. Relax by the waterfall. Just a typical morning at Northwest Territories' parks in the South Slave region. With stunning natural settings, each park is an adventure. Unmatched amenities – pull-through sites, power, washrooms, boat launches, kitchen shelters and more – our parks are here for your enjoyment.

Adventure made easy in the South Slave region of the Northwest Territories.
