

LEGENDARY HUNTING IN A BOUNTIFUL LAND

The Northwest Territories is a sport-hunter's Shangri-La, served by a network of seasoned outfitters and blessed with robust, sustainable populations of some of the most prized trophy species on Earth.

CANADA 
KEEP EXPLORING

A range of hunting experiences are available. In the Mackenzie mountains, Dall's sheep, alpine caribou and huge moose wander the highlands. In the Arctic, polar bears and muskoxen beckon. And in the boreal forests and Barrenlands, hunters pursue bison, grizzlies, black bears, wolves, wolverine and more.
