

# STAY UP ALL NIGHT

The Northwest Territories is the Land of the Midnight Sun, where summer daylight is everlasting, and two a.m. looks like high noon. All night, fisherman fish, golfers golf, campers camp and paddlers paddle - because really, when each day is blissfully infinite, you just do whatever feels right.

## Folk on the Rocks

The North's premier music fest, Folk on the Rocks, ain't just about folk. At this weekend-long whoop-up on a lake shore near Yellowknife, you'll groove to punk rock, reggae — heck, maybe even polka — under the delirious midnight sun.
