We're a place from the pages of history – a place that still lives free and wild. We're about unparalleled travels – the deepest lake, the farthest road, the greatest adventure. Serene locations, wild sights and adventures to ignite your life.

Choose from a winter or summer visit, where you can view the Aurora by snowmobile or fish Great Slave Lake under the Midnight Sun. Drive your own dogsled or dance in the sand at Folk on the Rocks. Spend the day learning about the North's celebrated Indigenous culture and behold our giant waterfalls.

The choices are boundless in Spectacular Northwest Territories.
