## **WORLD CLASS FISHING**

Fish nearly two million acres of NWT wilderness in search of giants! Let us show you a truly northern luxury fly-in lodge experience. With no other lodges between Scott Lake and the Arctic Ocean, you'll have seemingly unlimited lakes and rivers to fish and explore. In these exclusive waters you'll find massive Northern Pike, Lake Trout and feisty Arctic Grayling. Around every corner is a new adventure in this unspoiled wilderness: you may see bears, wolves, caribou, moose, muskox, and many other birds and animals. In August, the Northern Lights dance across the sky and our hot tub is the perfect place to watch the show, relaxing after a day out on the water. A veteran, professional staff puts a focus on customer service to ensure you enjoy the best fishing experience of your life.

## **WORLD FAMOUS SERVICE**

We offer five and ten day stays at our luxurious lodge on Scott Lake. Packages include roundtrip airfare to the lodge, 5 days of guided fishing, all high-end fishing gear, meals, accommodations, soft drinks, wine and hotel on the return trip and Global Rescue medical evacuation insurance. Enjoy a gourmet shore lunch, go hike an esker, use our fitness/sauna facility or canoes, kayaks and paddleboards. After a day of catching monsters, book a relaxing massage at our Stone Haven Spa. You'll have such an incredible time you'll want to make this trip of a lifetime an annual event.
