WE ARE STRONGER TOGETHER – JOIN US!

NWTT is always open to hearing from its membership about issues that affect tourism businesses and the tourism sector. We work hard to address industry issues and we advocate on your behalf. The past years have been unprecedented and, together with our members and with the direction of our board of directors, NWT Tourism has been advocating diligently on behalf of our industry and our members.

Our advocacy activities have happened on the national front, through our participation with the Tourism Industry of Canada and Destination Canada, and our connection with our Member of Parliament, Michael McLeod. Within the Northwest Territories our activities include meetings with the COVID-19 Secretariat, the Minister of Industry, Tourism and Investment, CanNor representatives, local chambers of commerce, and government officials in all communities.

On the marketing front, with the announcement of the reinstatement of leisure travel, we are ramping up our marketing efforts for a safe return to tourism and look forward to welcoming visitors back to our spectacular territory.

We are stronger together. Become a member of NWT Tourism as we rebuild our industry to one that is strong, thriving, sustainable, and successful.

SPECTACULAR BENEFITS

VISION STATEMENT

A thriving, vibrant, sustainable and successful tourism industry.

MISSION STATEMENT

To grow the tourism industry for the Northwest Territories in order to support a strong and sustainable economy.

HOW WE ACCOMPLISH OUR MISSION

Northwest Territories Tourism has a small complement of staff who, together with our Agency of Record, enthusiastic General Sales Agents and contractors work together to plan, implement and evaluate annual marketing programs that promote the Northwest Territories as a spectacular tourism destination. We undertake research to understand consumer awareness and interest in Northwest Territories tourism products. We partner with Destination Canada, the Tourism Industry Association of Canada, the Indigenous Tourism Association of Canada, industry members, and others to advance our goals and objectives. We provide a variety of advertising, trade show and other opportunities for our members, some for free and some at reduced rates, enabling members to leverage their marketing initiatives with ours or to gain more impact with their marketing investments.

We have a stakeholder management plan to address key territorial and federal issues brought forward to us by our members and we report on the progress in addressing these issues at our annual conference and Annual General Meeting. We meet with our membership annually, providing an update on our marketing plans and advocacy actions, and we provide professional development and networking opportunities through our annual conference. Visit our Member website for more information.

BOARD OF DIRECTORS

Northwest Territories Tourism is led by a Board of Directors with a broad base of experience in the Northwest Territories. The board includes up to sixteen members, seven of which are elected, seven which are appointed by Indigenous Governments and two other appointed positions, one of which is an ex-officio position appointed by the Government of the Northwest Territories, our main funding partner. To see the current Board of Directors, please go to members.spectacularNWT.com.

NORTHWEST TERRITORIES TOURISM

Northwest Territories Tourism (NWTT) is the designated Destination Marketing Organization (DMO) that works on behalf of the Government of the Northwest Territories and all NWT tourism industry operators to promote the Northwest Territories as a travel destination. We are also the tourism industry voice for businesses in the Northwest Territories that are involved in the tourism industry.
