

SPECTACULAR
NORTHWEST 
TERRITORIES

WORLD'S BEST AURORA.

Clear cloudless skies, hours of majestic dark, far from big city lights - the skies of the Northwest Territories come alive with Northern Lights stretching across the entire horizon in ways that will mesmerize and humble you. Don't let us convince you with words; come let the lights amaze you with a display like you've never seen before. The NWT is the home of the World's Best Aurora.
