

Which Aurora experience will you take?

WINTER AURORA

THANKS TO ITS PERFECT POSITION

under the Auroral Oval and crisp, clear skies, you'll soon see why the Northwest Territories is home to the world's best Aurora. The Northern Lights dance here more than 240 nights a year and the winter season begins in November and runs right through to April. Bundle up, grab a warm drink and get ready for the show of a lifetime.

NORTHWEST TERRITORIES

AURORA DAY TRIPS

SETTLE INTO ONE OF THE MANY

comfortable hotels available in the Northwest territories before enjoying a wide-range of daytime activities. You can drive on the ice road or even guide a dogsled team before heading out on an evening Aurora hunting tour with one of our many experienced guides. They know exactly where to go for the best shows and the perfect photo opportunities.
