

# TOURISM WEEK

MAY 30 – JUNE 3, 2022

## Tourism Week is a special event this year!

It's time for us to welcome back visitors and support the tourism operators that help sustain our healthy economy.

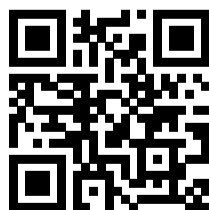

Tourism in the NWT is ready to get back to the business of creating great adventures!

Tourism contributes to thriving NWT communities and to the quality of life of residents. It's a way to share our culture, our way of life and our beautiful surroundings.

**Please help by spreading the word!** After all, seeing the Spectacular Northwest Territories through the eyes of a family member, a friend or a first-time visitor, reminds us all that we truly have the most spectacular backyard in the world.

And...**Share your Spectacular!** Post a favourite photo or a video of your Spectacular NWT on social media and include #spectacularnwt so we can see your spectacular images!

You'll be entered for **a chance to win one of two adventures in the NWT!** The grand prize of \$4,000 or the runner up prize of \$1,000.\* You decide where to go and who to invite!

**Scan here for details.**

Contest ends June 10, 2022.  
The winners will be announced on June 14, 2022.
