

SPECTACULAR
NORTHWEST 
TERRITORIES

LIGHTS, LODGES AND LINES.

Fishing in Canada's Northwest Territories is beyond compare. With unique remote lodges or local lakes to dip your line into, you're guaranteed to have a spectacular experience. With the 24-hour sun in the summer, you can bet the fish bite all day long in the pristine waters around the territory. When the sun does set, you're sure to experience an unforgettable light show from the world's best Aurora. Reel in your next great fishing story in the Northwest Territories.
