

# WHY THE NWT IS UNLIKE ANYWHERE ELSE

The Northwest Territories is where travellers can find a vision of the North that is at the same time surprising and familiar. A place of incredible beauty, welcoming faces, thriving cultures, and a pace of life that returns you to the beauty of the world right in front of you. Until you've experienced it, you can't truly know why the roads of the NWT are unlike anywhere else.

See the North at its most spectacular. **Drive the NWT.**
