# WINTER IN THE WESTERN ARCTIC

Winter up here is unlike anywhere else. Snowshoe to the base of majestic pingos and get a front-row seat to some of the unique sights that make the Canadian Arctic so breathtaking. Learn about timeless cultures while listening to traditional stories that have been passed down through generations. Take to spectacular trails on a snowmobile or by dog team. The Western Arctic is where you'll find unforgettable winter adventures and experience the incredible hospitality of the North.
